2. Projects currently ;
- a. ISO rating – **Continue to work on this project**
 - b. District Policy, Procedure and SOG Manual – **This is an ongoing project**
 - c. LED Reader Board Sign – **We have ordered the 5’x10’ from Mega Signs. We will do the trenching for the power and internet cables. The sign could arrive in the next 4 to six weeks.**
3. Grants
- a. AFG – SCBA’s – **Ordered. – About 90 days out. We will receive the AFG funding the week of July 13th thru the 17th.**
 - b. Safer Act – **Submitting for a second payment request and have the 3 request for the funds for the sign in pending waiting for approval of the second request.**
 - c. Homeland Security Grant has been submitted for 7 new Mobile Radio’s.
 - d. I submitted an AFG-S grant on May 8, 2020 for just over \$2700 for supplies used for the COVID-19 event. We should find out in June if we will receive anything. This would be to help fund the restocking of the MCI Trailer.
4. Both new engines will be ready for pickup up on July 20th. We have 4 people going back and will bring them home at the same time. We will fly out Sunday July 19th. They will be in the station on July 24th with a scheduled work detail on July 25th to get Engine 4 in-service on that day and then Engine 41 will be placed in-service the next week. Will need to get with President Phillips this week and go to the bank and get the Check.
5. The new compressor/fill-station has been installed and is in operation. The new Air Packs could start showing up at any time.
6. The new Light Bar for the Old Engine 41 has been installed.

7. 2020 Public Contracting Rules Update. Received notice from the District's legal counsel that our current Public Contracting Rules need to be updated. The cost to do so will be \$175.00. (See attached letter from Legal Counsel)
