NOTICE TO EMPLOYERS: Oregon Revised Statute 30.178 states: "An employer who discloses information about a former employee's job performance to a prospective employer of the former employee upon request of the prospective employer or of the former employee is presumed to be acting in good faith and, unless lack of good faith is shown by a preponderance of the evidence, is immune from civil liability for such disclosure or its consequences. For purposes of this section, the presumption of good faith is rebutted upon a showing that the information disclosed by the employer was knowingly false or deliberately misleading, was rendered with malicious purpose or violated any civil right of the former employee protected under ORS chapter 659." NOTICE TO PUBLIC SAFETY EMPLOYERS: ORS 181.640, ORS 181.662 ORS 181.675 and OAR 259-008-0015 require Yamhill Fire Protection District to conduct a thorough background investigation on the above referenced applicant. The extent of this investigation must reach into all available and relevant employment related documents, including background investigation documents that address the character and or moral fitness of the applicant. ORS 181.675 specifically requires, "A public safety agency shall provide the department with access to personnel records of an employee or former employee of the public safety agency...." Failure to reasonably comply with this request is cause for the Department to seek compliance through legal action initiated by the Department of Justice and the Board on Public Safety Standards and Training. As a partner and constituent, your cooperation appreciated
